

DELHI PUBLIC SCHOOL
VARANASI

Dear parent,

Competent authorities have stipulated a certain number of working days for CBSE schools. The curriculum & syllabus transaction is planned accordingly. However due to circumstances beyond its control School is forced to curtail its working days thus disrupting the curriculum plan. Unfortunately the student fails to get the desired benefit & teachers are demoralized.

This year due to elections Varanasi is likely to have frequent & unscheduled visits of VIPs leading to unplanned holidays. We seek the cooperation & suggestions from parents in running the school so that the academic activity is not adversely affected.
