(Regn. No. S-361 of 1948-1949)

DPSS: ADMN: 2018-19: 429

May 29, 2018

Principals, Delhi Public Schools

Homi Bhabha Centre for Science Education (HBCSE) conducts various levels of examinations (**RMO, INMO, IMOTC**) and selects a team of 6 (six) students for International Mathematical Olympiad through the National Board for Higher Mathematics (NBHM). From last year it has started conducting one more level i.e. Pre-RMO, to select students for RMO.

Pre-RMO is a national level test for 3 hours. This test will be conducted by a new association called **Mathematics Teachers Association (MTA)**. The test will be held on **August 19, 2018**.

All Delhi Public Schools having class VIII and above can register as a center through online process on MTA Website: www.mtai.org.in. All relevant information will be posted on the **PRMO- 2018** announcement on this Website. This will also be available on IAPT/HBCSE Websites: <http://olympiads.hbcse.tifr.res.in>

This effort from your end will help in identifying talented children and nurturing them.

Important Dates:

Registration of Centers for PRMO – June 01 to June 15, 2018

Last date for Registration of students for PRMO: June 30, 2018
